Outreach '80

JULY 1980

TORONTO
International Conference on Corrections

Sister Ione Lorraine, Director of *Canadian Prison Ministry*, was privileged with the opportunity to attend *"An International Conference on Alternatives to Imprisonment"* sponsored by the *Ontario Ministry of Correctional Services*, the *Solicitor General of Canada* and the *National Council on Crime and Delinquency, U.S.A.*

The conference featured 36 seminars and covered a broad spectrum of the issues currently facing correctional operations world wide.

Sister Ione, who has brought the presence of The Lord to many behind bars, was honored with an invitation to write an article in the Ontario Correctional Services monthly magazine *"Community in Corrections"*. The issue containing her article *"Beyond the Barriers"* was distributed at the conference in addition to its regular wide circulation. Sister Ione's theme is one that she applies in all her prison work - to bring the reality of Jesus Christ to prison and offer inmates a *real choice for GOD.*

DALLAS
Ray Charles for The Crusade of Innocence

World famous singer, song writer and personality Ray Charles is preparing public service promotional announcements on behalf of *The Crusade of Innocence.*

Blind since birth, Mr. Charles is no stranger to difficulty and overcoming personal hardship. He is particularly moved by Crusade Director Rev. Lucia Smith's efforts on behalf of *terminally ill children* and their parents, in dealing with grief and despair surrounding the illness and death of a child.

KAIROS RETREAT CENTER
Special Seminar on Angels Begins Summer Program in Style

"Kairos", the Foundation Retreat Center run by *The Healing Ministry of The Conquering King* is set on 27 secluded acres in one of the nation's most beautiful estate areas. Northern Westchester County, NY deserves its reputation as a place of beauty, and was indeed an appropriate setting for a day-long workshop on Angels led by guest instructors Rev. Magdalen St. Claire and Rev. Enoch Garrett - of the Washington-based *Ministry of the Angels of Christ.*

The day's program consisted of two sections. First, Rev. Garrett provided clear insight into how the human mind, apart from GOD is vulnerable and open to the negative and self-deluding effects of Satanic influence - and set the stage for what followed.

In the second section, Rev. St. Claire led attenders to an understanding of how, through the *consciousness of Christ*, anyone can be open to and led by *GOD's ministering Angels.*

Says Rev. St. Claire: *"The spiritual kingdom is all around us. Jesus Christ gives us access and power in the spiritual realm, but it is up to us to exercise these rights. As St. Paul said, 'we wrestle not against flesh and blood, but against principalities and powers...' We are engaged in a spiritual struggle. GOD's Angels are our allies against the forces of evil."*

Don't miss the next Retreat or Seminar at the Foundation or Outreach Ministry nearest you.

BALTIMORE
Angels Light up the TV Airwaves

Richard Sher, WJZ-TV's host of the popular daytime show *"People are Talking"* was as skeptical as anyone when he began the interview with Rev. Magdalen St. Claire and Rev. Enoch Garrett of *The Ministry of the Angels of Christ.*

After all, who ever heard of someone who talks to **Angels** and claims to be able to put others in touch with their own **Guardian Angel?**

Well, as Mr. Sher, the studio audience and thousands of at-home viewers were soon to learn, Rev. St. Claire has an extraordinary relationship with *GOD's Holy Angels* and indeed she has been blessed by The Lord with the ability to open others up to a special awareness of these *ministering spirits* in their lives.

As the show progressed, doubt turned to belief and *"People are Talking"* became a powerful witness to Jesus Christ!

Following the broadcast, the Washington-based *Angel Ministry* received over 1000 requests for information about Guardian Angels. Praise The Lord!

FOUNDATION PERSPECTIVE

Jesus said, *"My kingdom is not of this world,"* and throughout the Bible, the spiritual kingdom of GOD is described as a place of *magnificence* and *beauty* populated with GOD's *holy Angels and saints* and marvelous heavenly creatures and manifestations.

To some, GOD has opened a door to the heavenlies. Through Jesus Christ they speak with His Angels and are blessed with *prophetic visions* and *spiritual gifts.*

Many Foundation Ministers are among those blessed by The Lord in this way, and for our *Foundation Perspective* this month we asked several Founders to comment on their unique spiritual experiences.

Rev. Estelle Lehnen -

"I've been in the ministry for 8 years, and have always given a lot of time to prayer and meditation. It was in New York several years ago when I was given an experience that changed my life.

"During a period of meditation the voice of The Lord spoke to me. His voice was very loud, like it came out of a loudspeaker on the wall. He spoke to me personally, but I opened my eyes to see if everyone had heard it and was surprised to see that no one else in the room with me had heard anything. I closed my eyes and listened as GOD spoke to me with a voice that filled the room and comforted me with its strength. He told me of His unconditional Love for His creation, and of His special Love for those who keep to His standards and live lives of purity for GOD.

"The voice of The Lord told me that He is a personal GOD and wants to be included in our lives, and He told me that I could have a similar relationship with His Angels. He guided me to speak with several Angels who gave me further messages for myself and for several individuals who were in need of spiritual guidance.

"This relationship and communication with GOD's Angels has continued and expanded, and I was soon guided to take as a major part of my Ministry the introduction of people to the Angelic Kingdom. This is what GOD wants. He wants the whole of His creation to be in harmony and communion.

"It is the function of the Angels to bring GOD's Will to the earth."

Rev. Lehnen is herself a testimony to the Power and Love of GOD. Through a GOD-given inner strength she has overcome the shattering effects of childhood paralysis. She is frail and almost beatific, yet through Jesus Christ she exudes a strength and confidence that carries and supports others. She is the Director of the Toronto-based *Ministry of Miracles* and conducts regular workshops and classes about Angels.

Rev. Enoch Garrett -

"I had felt a calling for some time to be a part of the Angel Ministry, but I lacked a clear understanding of what The Lord intended for me.

"One day as I prayed for greater understanding of GOD's Angels, I was transported to the Angelic realm for a timeless 3 hours. Jesus Christ spoke to me in a welcoming and comforting voice. I saw beautiful Angels surrounded by colorful lights and heard voices speaking in "tongues" the praise of GOD. Angelic speech and music surrounded me and each word spoken had power.

"The experience transformed me, and needless to say gave me an entirely new vision of GOD's Heaven.

"Following my visit to the heavenlies, The Lord led me into a ministry of deliverance that has helped to free many from the inflictions of Satanic forces and opened hearts for a relationship with Jesus Christ and His Angels."

Rev. Enoch Garret is co-Director of The Northeastern Foundation and a principle spokesman for *The Ministry of the Angels of Christ.* His effective preaching and convicting testimony have brought many to The Lord.

Rev. Hope White -

"I have been blessed by The Lord Jesus Christ with many visions and spiritual experiences, but I am guided to relate for Newsletter readers a wonderful transformation of a spiritual nature that is happening to a whole group of people here at Divine Grace Ministries in New Orleans. Our work here is with those in situations of crisis, and often, the tragic and unfortunate circumstances that people find themselves in leaves them vulnerable to doubts of all kinds - doubt of self, of GOD, of others and of life itself!

"This is fertile ground for Satan to sow his lies and it is very easy for him to convince such people that they are damned and that GOD is a terrible ogre who wants only to punish them.

"As a result, people come to us feeling lost and isolated, afraid and condemned.

"But GOD is leading a collective experience of His Grace. He is showing people that anything other than our unity with GOD and creation is a lie. He is giving us, through Jesus Christ, a rapturous outpouring of His reality; a reality that is casting out the doubts and fears because it casts out Satan's lies of a vindictive and spiteful GOD and bestows the truth of a loving GOD.

"I have seldom witnessed GOD intervene so tangibly with such a large group of people. Praise GOD!"

Rev. White is Director of *The Divine Grace Ministries.* Her Ministry for The Lord has benefited thousands and received wide public acclaim and support. She works unceasingly for salvation of GOD's forgotten children.

MAKE FRIENDS WITH AN ANGEL

Dallas Foundation Director, Rev. Jason Smith, in addition to his many spiritual gifts and talents is an accomplished artist and former art teacher.

Recently he has turned his artistic talents to painting *"Angel Scrolls"*, 2½ ft x 4 ft oil paintings inspired by the angelic paintings of the old masters.

The popularity and beauty of his work has led to the development of a silk screen operation to bring these Angelic presences into the public eye in every form from T-shirts to posters to full-size scrolls.

One plan on the drawing board is for the production of T-shirts featuring a proliferation of Angels, and the caption *"Make friends with an Angel."*

HAVE YOU HEARD THE CALL?

Life in the Ministry of The Foundation Faith is **exciting** and **challenging.** It involves travel, one to one work with people, writing, preaching, teaching and technical skills from broadcasting and media operations to computers and business skills as well as art, design and crafts.

Most of all, it is a life of **commitment** and devotion to **The Lord** shared in a community of like-minded individuals.

If you seek **meaning** in a dying world, and feel called to a full time **commitment to GOD's** work, then find out more about becoming a Minister of The Foundation Faith of GOD.

NEW YORK
Minister's Work with the Deaf a Ministerial Learning Experience

"The eyes of the blind shall be opened, the ears of the deaf unstopped."
Isaiah 35

When Sister Nathania Gartman began her work with the deaf, she was armed only with a *willing heart* and *the Love of The Lord*. She didn't know sign language, nor had she any special training in work with handicapped people of any description.

Far from the self-conscious and unhappy "victims of fate" one might expect to find in a group of elderly deaf persons, Sister Nathania discovered a world few "hearing" persons know exists. The silence of the deaf person's world is only a physical silence, for they share a deep and emotional level of communication, rich in the texture and sounds of the heart and soul.

While bringing the *love* and *care* of *Jesus Christ* to this beautiful group of old folks, Sister Nathania has learned far more than the rudiments of sign language.

"The Lord showed me," she said, *"that there are inner eyes and ears that remain to be opened in most of us who are physically whole."*

LAS VEGAS
Foundation Volunteer Chosen for Award

Christian Mental Health Healing Ministry volunteer O'Neil Johnson was honored recently by the national *Voluntary Action Organization* with the *Volunteer of the Year Award* for the *Charleston Convalescent Home.*

Mrs. Johnson was nominated by the *Charleston Convalescent Home* where she has been bringing love and warmth into the lonely lives of institutionalized people. We join with Rev. Maia Astor Drayton, Ministry Director, and the people of Las Vegas in congratulating and thanking O'Neil, for her wonderful work for The Lord.

ST. PAUL
MINNESOTA

Chicago based *Spirit of Renewal* Director Rev. Faith Maloney was the featured guest speaker at the annual meeting of the *Illinois Convention of the Church of the New Jerusalem.* Members and delegates from four midwestern states convened in St. Paul, Minnesota on May 16th, 17th and 18th to chart the progress and development of The Lord's work through the church.

On Sunday morning, Rev. Faith preached to the combined assembly of the convention on the *Gifts of The Holy Spirit* and GOD's promise to believers concerning spiritual gifts in the latter days.

Rev. Maloney is the Pastor of the *Good Shepherd Community Church* and a gifted channel for The Lord's healing.

RETREATS & SEMINARS

Foundation Faith of GOD retreats, seminars and workshops come in every size, shape and character; from week long and weekend *healing retreats* to weekends devoted to *understanding* and *working with Christ's Angels,* to seminars on *The Holy Spirit* and *The Gifts of The Spirit.* Why, there is even a retreat on the subject of Financial Healing and GOD's plan for the prosperity of His children. These programs are powerful instruments for The Lord's work and serve to open new realms of **spiritual living** for participants. While not every *Outreach Ministry* currently offers a program of retreats, seminars and workshops, we urge all of you who can, to take advantage of the opportunity to attend the programs nearest you.

ANGEL LISTENINGS

Guardian Angels are Real

You've read about Angels and those Founders who speak with them in this and other OUTREACH '80 Newsletters.

What's it all about?

Well, with The Lord's help, we will give you a brief explanation of what so many people are talking about, and invite you to find out more for yourself.

As the Bible tells us, GOD's Angels are *"ministering spirits, sent forth to minister for them who shall be heirs of salvation."* Popularly known as *"Guardian Angels"*, these heavenly spirits **guide** and **protect** GOD's people. The word Angel means literally **Divine Messenger** or **Messenger of GOD,** so quite naturally the Angels also provide vital *spiritual knowledge* and *information,* as the Angels who appeared to Paul in Acts 27:23.

Obviously, not everyone is aware of the presence of these ministering spirits. However, GOD has specifically appointed certain individuals to introduce others to *the Angelic Kingdom.*

An Angel Listening is an opportunity to find out from one of those individuals the name and special functions of your Guardian Angel; how your Angel works to protect you; how your Angel perceives you and your talents, and best of all, an *Angel Listening* is the beginning of an active two-way relationship with your Angel.

For more information about how you can have an *Angel Listening,* contact one of these Foundation Centers at the addresses given on the back of this newsletter: The Denver Foundation, the Northeastern Foundation, and The Canadian Headquarters.
